Sir/Madam,

I am directed to refer to the D.O. Letter No. 76/CEO-GeM/2026 dated 18.03.2026 (copy enclosed) received from the Chief Executive Officer, Government e-Marketplace (GeM), Government of India regarding adoption of GeM Forward Auction module which facilitates disposal of immovable properties serviceable and unserviceable material through a competitive, pan-India online bidding process thereby ensuring transparency, efficiency and optimal value realization. The Forward Auction module also facilitates leasing of assets such as shops, parking lots etc.

It is stated that More than 12000 auctions have been successfully conducted since inception, covering more than 25000-line items. By utilizing GeM's Forward Auction Module, Government Agencies have achieved substantial gains of upto 25% on the reserve value of Assets. Forward Auction Module is already being utilized by various Government Organizations and Public Sector Banks for the sale of Immovable properties, disposal of unserviceable assets and other items.

In this regard, para 10.8.1 of the Manual for Procurement of Goods (Second Edition 2024), Department of Expenditure, Ministry of Finance, GOI, urges all the Central/State Government Ministries/Departments/Public Sector Enterprises (PSEs) and affiliated bodies to use the Forward Auction Functionality of Gem for the disposal of assets, scrap material, e-waste, vehicles, coal and commercial/residential properties, land and industrial plots etc.

Accordingly, all Departments/Organizations under GNCTD are requested to ensure adoption/utilize the Forward Auction module of GeM.

For any clarification required, departments are advised to contact at the mail id i.e., manager-fa@gem.gov.in.

This issue with the approval of Principal Secretary Finance, GNCTD.

DO No.76/CEO-GeM/2026

18th March 2026

Dear Sir / Madam,

Government e-Marketplace (GeM) is a National Public Procurement Portal which facilitates end to end digital journey for procurement of goods and services. In addition to the bouquet of functionalities for procurement, GeM also provides a functionality of Forward Auction which facilitates disposal of immovable properties serviceable and unserviceable material through a competitive, pan-India online bidding process, thereby ensuring transparency, efficiency, and optimal value realization. The Forward Auction module also facilitates leasing of assets such as shops, parking lots, etc.

2. More than 12000 auctions have been successfully conducted since inception, covering more than 25000-line items. By utilizing GeM's forward auction module, Government agencies have achieved substantial gains of up to 25% on the reserve value of assets. Forward auction module is already being utilized by various Government organizations and Public Sector Banks for the sale of immovable properties, disposal of unserviceable assets, and other items.

3. Para 10.8.1 of the Manual for Procurement of Goods (Second Edition 2024), Department of Expenditure, Ministry of Finance, Government of India, urges all the Central/ State Government Ministries/Departments/Public Sector Enterprises (PSEs) and affiliated bodies to use the Forward Auction Functionality of GeM for the disposal of assets, scrap material, e-waste, vehicles, coal, and commercial/residential properties, land, and industrial plots etc.

4. I request that necessary directions may kindly be issued to all concerned officers under your State/UT and attached offices to adopt the GeM Forward Auction module for disposal of immovable properties, unserviceable assets, and leasing of available assets, etc. In case any further clarification is required, a communication may please be sent to: manager-fa@gem.gov.in.

Yours faithfully,

Yours sincerely,

Mihir Kumar
