### PUBLIC NOTICE

As aware the rainy season has set on and it is need of the hour to catch the rain water falling on the ground. In this regard Rain Water Harvesting is one of the methods to conserve the ground water. Delhi Jal Board in this effort has created Rain Centres in each district of Delhi, in addition to the Rain Centre working at its Head Quarter at Jhandewalan, Varunalaya Complex, Phase-I. Individual, Institutions, RWAs etc. from the nearby area can visit these Rain Centres for any Technical Know how about the implementation of the Rain Water Harvesting Systems in their Installations. These Centres shall be manned by DJB officials to guide about the installation of Rain Water Harvesting System, benefits in the form of rebate, financial assistance and also about the service providers to facilitate the visitors for implementation of RWH system. The details of Rain Centres along with Nodal Officers/officials and locations are as below;
