

DELHI JAL BOARD, GOVT. OF NCT OF DELHI
PUBLIC RELATIONS OFFICE (W)
VARUNALAYA PHASE-II, KAROL BAGH
NEW DELHI 110005
e-mail: prodjb115@gmail.com Ph.23516261 (O)

For favour of publication:

Dated: 22.01.2026

PRESS NOTE

Due to continuous receipt of high pollutants (ammonia - NH₃ more than 3.0 ppm) in Yamuna River at Wazirabad pond and less water supply from canals (DSB+CLC), DJB's Quality Wing has advised to stop production as the quality of raw water is untreatable. Hence, Wazirabad WTP is under shutdown since 9:00 AM of 22.01.2026 due to which supply of potable water will remain affected in the command areas until the situation improves.

The areas likely to be affected are Majnu Ka Tila, ISBT, GPO, NDMC area, ITO, Hans Bhawan, LNJP Hospital, Defence Colony, CGO complex, Rajghat, WHO, IP emergency, Ramleela Ground, Delhi Gate, Subhash Park, Gulabi Bagh, Timar pur, SFS Flats, Punjabi Bagh, Azadpur, , Shalimar Bagh, Wazirpur, Lawrence Road, Model Town, Jahangirpuri, Moolchand, South Extn., Greater kailash, Burari and adjoining areas, Parts of Cantonment areas and South Delhi and other area which are on command of wazirabad WTP.

Therefore, public is advised to make judicious use of available water. For tankers, Central Control Room of DJB may be contacted at helpline no. 1916.

Inconvenience caused to the public is regretted.
