

**DELHI JAL BOARD: GOVT. OF NCT OF DELHI
OFFICE OF THE EXECUTIVE ENGINEER (C) DR-XI
ROOM NO. 303, VARUNALAYA PHASE -I
KAROL BAGH, NEW DELHI-05**

No. DJB/EE(C) DR-XI/2026 469

Date: 05/06/2026

**Expression of Interest (EOI) for Selection of CSR Partners for In-Situ
Treatment of Drains/Sub-Drains Contributing to Pollution in River Yamuna in
Delhi**

1. Background

Delhi Jal Board (DJB) is undertaking various initiatives for reduction and mitigation of pollution entering River Yamuna. In order to supplement ongoing efforts and encourage participation of Corporate Social Responsibility (CSR) initiatives, DJB invites Expressions of Interest (EOI) from reputed firms, companies, organizations, NGOs, technology providers, trusts, foundations and other interested entities for undertaking in-situ treatment of drains/sub-drains flowing into River Yamuna in Delhi through CSR funding.

DJB shall act only as a facilitator/catalyst between the interested agencies and the concerned drain-owning agencies. DJB shall not provide any financial assistance for implementation, operation or maintenance of the proposed projects.

2. Objective

The objective of this EOI is to identify technically competent and financially capable agencies willing to mobilize CSR funds and undertake in-situ treatment of drains/sub-drains to improve water quality and reduce pollutant load entering River Yamuna.

3. Scope of Work

The interested agency shall:

1. Identify suitable drains/sub-drains within NCT of Delhi requiring in-situ treatment.
2. Conduct preliminary assessment and submit a suitable treatment proposal.
3. Arrange complete funding through CSR contributions or other non-government sources.

Dy. Director (IT)

Delhi Jal Board, GNCTD

4. Design, supply, install, commission and operate the proposed treatment system.
5. Obtain all statutory approvals, permissions and clearances, wherever required.
6. Undertake Operation & Maintenance (O&M) of the installed system for a minimum period of three (03) years from the date of commissioning.
7. Carry out regular monitoring and submit performance reports to concerned stakeholders.
8. Ensure compliance with applicable environmental norms and standards.

4. Financial Responsibility

1. The entire project cost, including survey, design, procurement, installation, commissioning, monitoring, operation and maintenance, shall be borne by the selected agency through CSR funding or other non-government funding sources.
2. Delhi Jal Board shall not provide any financial assistance, grant, subsidy, reimbursement, viability gap funding or recurring expenditure support.
3. No financial liability whatsoever shall accrue upon DJB.

5. Role of Delhi Jal Board

1. DJB shall act as a facilitator between the selected agency and the concerned drain-owning agency.
2. DJB may facilitate technical discussions and coordination with relevant stakeholders.
3. DJB does not own or maintain storm-water drains and sub-drains and therefore shall not be responsible for providing land, infrastructure, funding or operational support.
4. Final implementation shall be subject to approval of the concerned drain-owning agency and other competent authorities.

6. Eligibility Criteria

Interested entities may include:

- Companies undertaking CSR activities.
- Public Sector Undertakings (PSUs).
- Technology providers.
- Engineering firms.
- Environmental organizations.

- Registered NGOs/Trusts/Societies.
- Consortiums of the above entities.

The applicant should demonstrate:

- Experience in water, wastewater, environmental management or river rejuvenation projects.
- Capability to mobilize CSR funding.
- Technical expertise for implementation of in-situ treatment technologies.
- Capability to undertake O&M for a minimum period of three years.

7. Submission Requirements

Interested agencies shall submit:

1. Organization profile.
2. Details of relevant experience.
3. Proposed technology and methodology.
4. Tentative identification of drains/sub-drains proposed for treatment.
5. CSR funding arrangement plan.
6. Implementation schedule.
7. O&M strategy for three years.
8. Any other relevant information supporting the proposal.

8. Pre-Conference

A pre-conference shall be held on the 10th day from the date of publication of this EOI at:

Venue: Conference Hall-1, Varunalaya Phase-II, New Delhi.

Date & Time: 15.06.2026 at 11.30 AM.

Interested agencies may participate and seek clarifications regarding the EOI.

9. Submission of EOI

EOI proposals shall be submitted in sealed envelope or via e-mail at e-mail id eecdr11djb@gmail.com (as applicable) by 04.07.2026 by 5:00 PM superscribing:

"EOI for In-Situ Treatment of Drains/Sub-Drains through CSR Funding for Reduction of Pollution in River Yamuna"

Addressed to:

EXECUTIVE ENGINEER (C) DR. XI,
ROOM NO. 303, VARUNALAYA PHASE-I,
KAROL BAGH, NEW DELHI-110005

Email: eecdr11djb@gmail.com

10. General Conditions

1. Submission of EOI does not confer any right for award of work.
2. DJB reserves the right to accept or reject any or all EOIs without assigning any reason.
3. DJB may seek additional information, presentations or demonstrations from applicants.
4. DJB reserves the right to modify, cancel or withdraw this EOI at any stage.
5. Selection pursuant to this EOI shall not create any financial obligation on DJB.

11. Disclaimer

This EOI is intended solely to identify agencies interested in undertaking drain pollution abatement projects through CSR funding. DJB shall not be responsible for any costs incurred by applicants in preparation or submission of proposals.
