NEW DELHI - 110 005

No. DJB/Fin/Audit/CAG/Misc./2011/

15306

DATED: 14-02-2011.

Subject: Water Supply through Deep Bore Hand Pumps.

In the Performance Audit Report conducted in respect of regularised unauthorised colonies, it has been pointed out by the audit that the water sample taken from two Deep Bore Hand Pumps was found unfit for drinking purposes. Instructions already exist that in such cases where water sample are found unfit, DBHPs need to be painted in Red warning about unfitness of water for drinking purpose.

It is emphasised on all Executive Engineers that wherever DBHPs are installed, water sample must be got tested in the Laboratory periodically. In case water sample is found unfit for drinking purposes warning must be painted in Red on the DBHP concern that WATER IS NOT FIT FOR DRINKING PURPOSE.
