DELHI JAL BOARD, GOVERNMENT OF N.C.T. OF DELHI
OFFICE OF THE ADDL. CHIEF EXECUTIVE OFFICER
ROOM NO. 415, 4th FLOOR, VARUNALAYA COMPLEX, PHASE-II
KAROL BAGH, NEW DELHI - 110005

No .F. DJB/AC(L&E)/Scrap/2016 1684

Dated: 27-09-2016

INSTRUCTIONAL ORDER

Instructions to all Executive Engineers were issued vide order no. F. DJB/AC(L&E)/Scrap/2016/75654 to 75745 dated 12.09.2016 for ensuring disposal of unserviceable material and scrap within one month and send the status report to the undersigned by 20.09.2016.

The perusal of the status reports received from Executive Engineers reveals that in timely disposal of scrap following constraints are being experienced:-

- i) Delay in initiating process for formation of condemnation board for fixing reserve price.
- ii) Delay in process for putting up case for formation of new Condemnation Board for re-fixing the reserve price, in case of difference in market price and reserve price fixed by the Condemnation Board.
- iii) Delay in inviting tenders by Metal Scrap Trade Corporation Ltd. (MSTC) which is the authorized agency for disposal of scrap.

All the aforementioned constraints intimated by the Executive Engineers are petty problems and could be taken care-off easily by putting sincere efforts by the concerned officer.

Accordingly all Executive Engineers are once again directed to make sincere efforts to get the reserve price re-fixed from the Condemnation Board and send request to MSTC immediately.(latest by 04.10.2016). A revised status report in the proforma already circulated should be sent to undersigned by 05.10.2016 positively.
