CIRCULAR

As per the policy of the department, the following categories of works are being checked by Third Parties M/s. Rites and M/s. MECON INDIA Ltd. :

1. The works costing more than one Crore.
2. All such works where rates are abnormally low i.e. difference of awarded rates and the departmental justification is more than 25%.

It has been reported that M/s. Rites and M/s. MECON INDIA have been discontinued w.e.f. 06.02.2007 and the works awarded by the various divisions will not be checked by them, it has therefore been decided that till Third Party is engaged by the department.

1. The respective Suptdg. Engineer/Chief Engineer will inspect the works frequently to ensure the quality of works.
2. While approving the completion report, the concerned S.E. will also certify that he has inspected the works and found to be executed as per specifications.
3. The concerned A.E. would check the work to the extent of 100% and E.E. @ 50%.

The above mechanism is an interim arrangement till Third Parties are engaged.
