CIRCULAR

Subject :- Test checking of Measurement.

Member (Dr.) vide circular No. 40783 dated 24.04.2007, had the given additional responsibility to E.E./ A.Es. of extra test checking of works having abnormally low rates i.e. 50% by E.E. and 100% by A.Es. Whereas for works having normal market rates, codal provision of 10% test check by E.E. and 50% test check by A.Es. is being followed. During the meeting with CEO (DJB) on 11.04.08, matter of extra burden of duties/additional test checking of work assigned to E.E./A.Es was discussed in detail and it was emphasized that all the departments of Delhi Govt. and CPWD are following the codal requirement of 10% test check by E.E. and 50% test check by A.E. only.

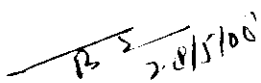

Accordingly the matter has been discussed and it is decided that henceforth mandatory test check of 10% by E.E. and 50% by A.E. shall be carried out as per the codal requirement. However, any work requiring specific extra supervision, the specific work-wise order shall be issued by the C.E. concerned.

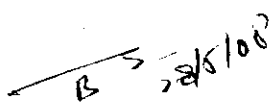

This issues with the approval of competent authority.
