Office of the Member (Drainage)  
Varunalaya, Phase-II, Jhandewalan, New Delhi - 110005

No:- DJB/Mem.(Dr.)/2009;

51356 to 51453

Dated:

22/05/09

**CIRCULAR**

It has been observed during an investigation by CTE, CVC organization in one case that inspite of many efforts made by the department for verification of documents submitted by participating bidders, from the documents issuing agencies, some times no response is received by the department from some of the concerned issuing agencies even upto opening of price bids/award of works. This generally happens in case of foreign based firms, which are in joint venture with L-1 bidder.

It is therefore directed to add in the contract condition the following clause in all future tenders by all DDOs,

**"while evaluating The Technical bids, if no reply is received in respect of any bidder regarding verification of documents submitted by the bidders e.g. work experience certificates, credentials of the firms, solvency, financial capabilities, bank guarantee etc. from the concerned issuing agencies, till the opening of price/financial bid, the same will not be opened and considered for the award of work."**

**DDOs**
