No. DJB/M(WSS)/2010/15-3/

Dated: 8/2/2010

INSTRUCTIONAL ORDER

Instances have come to the notice that even after imposition of penalty including disengagement of tanker by a particular Division, the same tanker is re-engaged by the other division of DJB. As a result, the very purpose of such penalty is defeated. It is therefore ordered that hence forth the EE concerned while imposing penalty on a water tanker will endorse the copy of the order atleast to all the maintenance Divisions of DJB.

Further at the time of fresh engagement of a water tanker an undertaking should be taken from the opposite party that the vehicle or the driver had not been penalized by DJB during the preceeding twelve months by the DJB.

The above instructional should invariably be followed. Non compliance of which will be viewed seriously.
