**INSTRUCTIONAL ORDER**

Sub:- Re-use of Water Meters removed by L&T for other areas.

The CEO vide his orders dt. 20/7/2011 has directed that the functional DJB water meters that have been removed by L&T must be accounted for properly and should be put to use in some other area immediately so as to increase the number of functional meters. In order to ensure it, the functional water meters that have been removed belonging to the DJB should be provided to the Executive Engineer of the same area, from where, they were removed by L&T. EE concerned will co-ordinate with the Zonal Revenue Officer and Joint Director of the Area and identify the target in the specific colonies where these meters could be installed immediately by the concerned Executive Engineer within two months time. The Executive Engineer shall ensure that these are installed in targeted colonies in DDA LIG Flats and DDA Janta Flats to begin with and not randomly spread out over all the area under him.
