

DELHI JAL BOARD  
GOVT OF NCT OF DELHI  
OFFICE OF MEMBER (WATER SUPPLY)  
VARUNALAYA PH-II:KAROL BAGH, NEW DELHI-110005.

No.: F-15/DJB/M(WS)/2013/ 121376 & 121432

Dated: 28.10.2013

**CIRCULAR**

In reference to provisions of Delhi Water & Sewer (Tariff & Metering) Regulation, 2012, following clarification is issued w.r.t 3(g) of chapter –II regarding sanction of water connection:

As per the provision individual water connection will be sanctioned for a single dwelling unit / floor subject to maximum of six in a property. Cases are being referred for decision on sanction of water connection to the properties where more than 6 dwelling units are in existence prior to the date when Regulation came into force & few dwelling units out of total have already been allowed an individual water connection. Further sanction of new connection would invite violation of Regulation Act 2012.

The issue has been considered & it has been decided that the provisions of Regulations must be enforced and bulk connection would be sanctioned for the balance dwelling units in only those properties which were constructed prior to issuance of regulations by the Board. The withdrawal of sanction against the already sanctioned water connections shall not be insisted upon.

Further, for the dwelling units in a property constructed after the notification of Act 2012, the sanctioning of water connection shall continue to be strictly governed by the provisions of Delhi Water & Sewer Regulations 2012 meaning if 6 dwelling units are constructed in a property & further addition is permitted as per existing building bye-laws then that property shall be eligible for one bulk water connection of size governed by the demand based on the extent of occupancy and availability of water source at the time of seeking sanction of water connection.

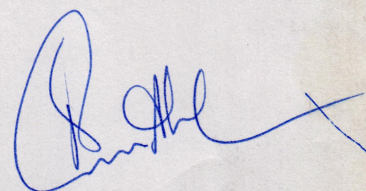

All concerned will strictly comply with the above instructions.
