For designing water and sewerage infrastructures, CPHEEO under Ministry of Urban Development, Government of India has already published Manuals on Water & Sewerage system, which is a robust guide tool. All the engineers of Delhi Jal Board should be aware of provisions of these manuals which are available on Ministry's website (<http://moud.gov.in>) as well as on CPHEEO website ([www.cpheeo.nic.in](http://www.cpheeo.nic.in)). It has been decided that the examination on these Manuals shall be held during last week of November, 2014 (Actual date will be notified later on). All the engineers right from Junior Engineer to Suptdg. Engineer will appear at this Examination on CPHEEO Manuals.

The candidates acquiring distinction marks will get Cash Prize of Rs.5,000/- along with appreciation letter. The minimum qualifying marks will be 50%. The engineers, who will not acquire minimum qualifying 50% marks, will have to appear again in this test, which will be held in first week of January, 2015. All engineers are, therefore, advised to go through these Manuals thoroughly and ready for examination as proposed above.
