CIRCULAR

Instructions issued from Director (F&A) vide no. DJB/JDII/FMS/2013/47172 dated 01.04.2014, in Para 8, provides that "Mapping Cell has issued the maps to all the divisions so Estimates should be prepared by using the map issued by the mapping cell only so that there is no delay while uploading the data on completion of work."

Further the schemes/ estimates for Under Ground Reservoirs (UGRs) are required to be framed comprehensively including provisions for their feeder mains and corresponding peripheral water supply network using the maps as above.

Accordingly, Planning (Water) Cell will scrutinize the estimates for laying of new/replacement of old water supply lines, estimates for UGRs (showing their command areas), their feeder mains and corresponding peripheral water supply network, which have been prepared on maps issued by the Mapping Cell. All are requested to follow the issued guide lines.

This is issued with the approval from Competent Authority i.e. CE (Planning) Water.
