DELHI JAL BOARD: GOVT OF NCT OF DELHI OFFICE OF THE EE (PLANNING) WATER - II VARUNALAYA PHASE I, KAROL BAGH, NEW DELHI.

NO. DJB/EE(PLG)W-II/2015/ 910

Dated: 25-05-2015

Occasionally, representations are submitted by various firms/agencies to enlist their products/ materials for use in various projects across Delhi jai Board on the ground that the firm is duly registered with Govt, and holds the licence to use ISI certification mark for their product. In this context, the extract of relevant clause 9.2.2 of latest General Conditions of contract is reproduced below;

"The Contractor shall, at his own expense and without delay; supply to the Engineer-in-Charge samples of materials to be used on the works and shall get these approved in advance. All such materials to be provided by the Contractor shall be in conformity with the specifications laid down or referred to in the Contract. The Contractor shall, if requested by the Engineer-in-Charge furnish proof, to the satisfaction of the Engineer-in-Charge that the materials so comply. The Engineer-in-Charge shall within 30 (thirty) days of supply of samples, intimate the Contractor in writing whether samples are approved by him or not."

Inference of the above is that procurement of a particular material/product is not limited to the specific brand. Any firm fulfilling the mandatory conditions and specific conditions/specifications is equally qualified/eligible to supply that material for DJB works and no brand specific enlistment for a particular material/product is necessary.

This issues with the approval of CE(Plg.)Water.
