**INSTRUCATIONAL ORDER**

Time and again instructions have been issued in the department for taking immediate action for replacement of manhole covers on receipt of complaint or any observation of missing cover during daily round of the area by the maintenance staff of Delhi Jal Board. It needs to be appreciated that this matter of immense public importance can't be treated in a casual manner, since any laxity in taking immediate action can lead to accident with serious injuries or even loss of human life. Therefore, it is imperative to communicate the instructions to the field staff particularly at the junior level of JE, area Fitter, Foreman that to avoid accidents, all DJB manholes are required to be provided with proper covers.

All CEs and SEs concerned are directed to get it confirmed on fortnightly basis from the division offices that manhole inspections are effectively and regularly done. Please note that any lapse on this account will invite serious action against the officer concerned.
