

OFFICE OF THE EXECUTIVE ENGINEER (P)DR.  
GOVT. OF NCT OF DELHI: DELHI JAL BOARD:  
VARUNALAY PHASE:- I JHANDEWALN: NEW DELHI

No. DJB/EE(P)DR./Circular/ 2016/1447

Dated:- 01/07/2016

CIRCULAR

It has been decided that henceforth tenders for the works where pipe laying is to be undertaken partially or entirely using trenchless technology, shall be invited on percentage rate basis for the whole BoQ instead of seeking rates for laying pipes using open cut and through trenchless method separately. It implies that the item of laying of pipelines through trenchless methods shall be an integral part of the BoQ framed in a composite manner for entire work.

In case of any increase based on the site requirement in the quantum of the item of laying of pipe line through trenchless technology beyond the stipulated quantity of the BoQ, prior permission shall be taken from the Member (Technical ) concerned before taking up the additional work at site.

The previous circular No. DJB/SE(P) W/ 2008/2942-2985 dated 30.10.2008 issued on this subject matter stands superseded .

This is issued with the approval of the competent authority.
