CIRCULAR

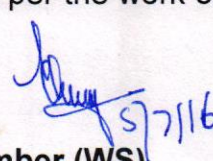

To increase more participations in the tenders and also to expedite the installation and commissioning of the tubewells, following directions are issued:

1. There will not be any restrictive condition in future NIT. Any firm who has executed the similar type of works shall be eligible to bid. The firm should not have been blacklisted or debarred from any department.
2. Copy of NIT shall be sent to all the Tube well firms who are working in DJB or in other departments (The list is enclosed).
3. To encourage participation, the payment of the work done shall be released within 10 days of submission of the bill by the firm after commissioning of the tube well.
4. To have better coordination and timely completion of the work, the composite estimate shall be framed comprising of:
 - a. Boring and installation of the tubewell.
 - b. Lowering of pump set and energisation.
 - c. Laying of water line from the tubewell to the distribution line

Estimate may be divided into Part 'A' and Part 'B'. Part 'A' shall comprise of activities mentioned in (a) and (c) and Part 'B' will comprise of (b). For Part 'B' concerned E&M staff will be consulted during preparation of estimate as well as execution of the work. However, tenders for the work shall be invited and work shall be awarded by the concerned civil wing.

5. Original scope of work will not be revised till the original work (as per the work order) is completed.
