Dated: 25.07.2016

INSTRUCTIONS

Attention is invited to the enclosed copy of the letter dated 8th July, 2016 received from Ministry of Finance, Department of Economic Affairs, GOI regarding the guidelines on anti-corruption issues. In the said communication, it has been pointed out that instances of corruption in procurement and awarding of contracts have come to the notice of the Government in some JICA assisted projects. All concerned have been advised to follow the instructions available on the website of Central Vigilance Commission (CVC).

Eo

These guidelines for prevention of corruption be widely circulated particularly among the officers dealing with JICA projects and the consultants engaged for assisting the department to frame the schemes and finalize the bid documents, may also be sensitized about the advisory received from Govt. of India. While stipulating the specifications and tender conditions, it has to be kept in view that these conditions are there to ensure selection of the competent firms to achieve the goal and at the same time they do not end up limiting the participation of the perspective bidders. The eligibility criteria/ conditions should be meaningful and carefully structured to meet the ultimate objective. Selection of words and technical terms used in the NIT should give complete clarity and facilitate participation of firms of good repute.

Contd...P.2/-

-: 2 :-

During the pre-bid meetings, if some useful inputs come from the perspective bidders, there should be no hesitation or reservation to carry out the amendments with the approval of the competent authority and upload it again on the DJB website to keep all concerned informed before submission of bids.

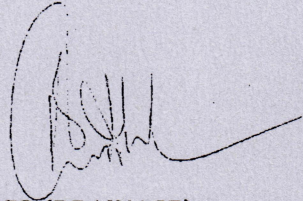

Please note that if some specific guideline of the funding agency also needs to be revisited, the same should be brought to the notice of JICA to take a considered view in the larger interest of the projects and the department.
Encl: As above.
