Dated: 7-11-2016

**Instructional Order**

To reduce air pollution, the Delhi Govt. has decided to do sprinkling on the roads and streets to prevent flow of dust in the air. The water for sprinkling will be used from the treated effluent at all the Sewage Treatment Plants.

All the concerned officers In charge of the STPs are directed to allow all PWD or Delhi Govt. tankers filling of the water tankers with treated effluent free of cost round-the-clock till the air pollution is reduced.
