

DELHI JAL BOARD: DELHI SARKAR
OFFICE OF THE EXECUTIVE ENGINEER (C) DR -XV
JAL SADAN ANNEX, LAJPAT NAGAR, NEW DELHI - 110024

No. DJB/EE(C)DR-XV/2021/1976-1977

DATE : 14.12.2021

PUBLIC NOTICE

To encourage water conservation at large in public interest and reduce the load on potable water available to the residents, Delhi Jal Board has approved the policy of supplying treated water from all the WWTPs to the RWAs/Consumers for Horticulture and other non-potable purposes, with the following terms and conditions for the applicant:

Sr. No.	Infrastructure Charges	Monthly Charges
1.	Rs. 10,000/- Per Acre Subject to Minimum Rs. 10,000/-	Rs. 5,000/- Per Acre Minimum Rs 5,000/ Month
2.	In case of area less than 1 acre, minimum charges of 1 acre would be levied.	

SALIENT FEATURES

- This step will lead to reduction in ground water extraction
- Fixed Charges as mentioned above will only be applicable
- There will be no restriction on the quantum of treated water supplied to an applicant
- The cost of laying the line for providing treated water will be borne by DJB
- Treated water will be available at all our Waste Water Treatment Plants, list of which is available on the Website
- Treated water will be provided to the applicant from 2-3 months, process of which will start from the day of receiving the application.
- Applicants can reach out to the office of Nodal Officer ADDITIONAL CHIEF ENGINEER (P)-8, Room No. 302, Varunalya Ph-I, Jhandewalan, Karol Bagh, New Delhi-110005, Email : ajaykumarseprw03@gmail.com
