NO. DJB/DOR/DD(HQ)/2015/ 3529

DATED : 28/4/15

CLARIFICATORY ORDER

It has been brought to the notice of the undersigned that new water connections for 3rd Floor and above are not being sanctioned by some of the ZROs inspite the building height being 15 meters, on one pretext or the other. It is to clarify that no directions have been issued by any authority of the Delhi Jal Board that new water connections to 3rd Floor and above will not be sanctioned except in cases where six connections for the premises have already been sanctioned or where the Engineering side has not given technical feasibility. Hence, all ZROs are advised that in such cases, in case of any doubt they may seek advise from Engineering side and also to consult Delhi Water & Sewer (Tariff & Metering) Regulations 2012 and/ or orders/circulars issued from time to time before deciding such cases.

2. If still felt necessary, file may be sent to the concerned Dy. Director/Jt. Director to seek clarification but no decision of their own should be adopted by any ZRO, failing which it would be viewed adversely.

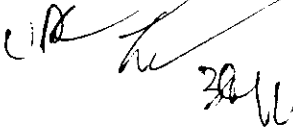

3. This issued with the approval of the competent authority
