NO.DJB/DOR/Tariff/2015/ 714 + 79 C2

DATED: 08.07.2015

Subject: Enhancement of tariff due to non-installation of Rain Water Harvesting on properties of size 500 sq.m. or more in Delhi - clarification reg.

Delhi Water & Sewer (Tariff and Metering) Regulations, 2012 provides for mandatory provision of Rain Water Harvesting for consumers of D.J.B. having a plot/property of size 500 Sq.mtr. or more, within one year of notification of aforesaid Regulations, failing which tariff as applicable will be increased by 1.5 times due to non-installation of Rain Water Harvesting till the provision is installed and intimated to the Z.R.O. concerned. The tariff will be increased in following manner:

1. Since, DJB collects Cess charges on behalf of DPCC, there will be no increase in Cess Charges. Therefore, 1.5 times increase in tariff will be on the components of Volumetric Water Charge, Sewer Maintenance Charge and Service Charge only.
2. Secondly, in case of properties having 2000 sq. yds or more plot size area, 10% rebate is applicable if any of the two services i.e. Rain Water Harvesting or Waste Water Recycling exist in functional form and 15% if both exists. There may be cases where such properties are having provision of only Waste Water Recycling. In such cases, increase in tariff by 1.5 times shall be applicable, for non-installation of Rain Water Harvesting and at the same time the consumer will also be entitled for 10% rebate in water bill for provision of a functional Waste Water Recycling. In such circumstances, 10% rebate will be calculated on the existing tariff which will then be increased by 1.5 times but excluding cess.
3. Further, enhanced tariff of 1.5 times, as above, will be increased w.e.f. 01-09-2015 in respect of Domestic Consumers and with immediate effect in respect of Commercial / Industrial Consumers.

You are, therefore, requested to make necessary provision in application software for implementation of aforesaid provisions.
