

DELHI JAL BOARD  
OFFICE OF DIRECTOR OF REVENUE  
VARUNALAYA PHASE-II: KAROL BAGH: NEW DELHI-110 005.

NO. DJB/DOR/DDRHQ-I/2017/1253 to 1299

Dated: 01/02/2017.

As per provisions of Section 35 (1) and (5) of Delhi Water Board Act 1998 and Regulation 33 of Delhi Water & Sewer (Tariff and Metering) Regulation 2012, such Licenced Plumbers who are holding the valid licence from the competent authority of the Board are only entitled for boring new water and/or sewer connections from the lines of the Board. In the recent, it has been observed that consumers are making connection from the Board's line through persons other than Licenced Plumbers, which may result in damage to the Board's line.

2. Hence, it has been decided that the consumer seeking new connection should engage a Licenced Plumber while applying for new water/sewer connection of the Board for which a column is being included in the New Water Connection form mentioning the name, licence No. and seal of the Licenced Plumber.

3. Further, in case any person tampers or makes a bore/connection in Board's line unauthorisedly or through unauthorised person i.e. other than Licence Plumber, then that person/consumer along with the person, who is engaged by him shall be liable for prosecution under the Act. Any complaint or information regarding such act may be made to the Director (Enforcement), DJB.

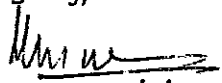

This issues with the approval of the competent authority.
