INSTRUCTIONAL ORDER

Reference is invited to Circular of even no. dated 18.01.2017 regarding review of Infrastructure Charges and Development Charges for commercial consumers. Board has exempted Infrastructure Charges for water and sewerage connection for commercial properties having plot size of 200 sq. meters and above in order to promote Ease of Doing Business in Delhi.

2. It has, however, been observed that even properties being constructed/used for domestic purposes are being projected as commercial unit (s) and water connections sanctioned under commercial category so as to escape payment of Infrastructure Charges. It is also gathered that the field staff of Revenue and Engineering Wing are misguiding the applicants by advising them to apply for commercial connections and get it converted into domestic subsequently. Such malpractices will lead to Revenue loss to the department and has been viewed seriously.

3. All concerned are, hereby advised to strictly follow the instructions in letter-in-spirit. Any complaint/case in this regard will be viewed seriously and strict disciplinary action will be taken against the officials found involved in such malpractices.

4. This issues with the approval of the competent authority.
