INSTRUCTIONAL ORDER

Reference Circular No.DJB/DOR/DD(HQ)/I/2017/381 to 507 dated 18-01-2017 and Clarification No.DJB/DOR/DD(R)HQ-I/2017/3014 to 3154 dated 21-03-2017 regarding exemption of, Infrastructure Charges and fixed charges of Development Charges for Commercial/ Industrial connections. It has been observed that in some cases applicants of water connections requiring domestic connections are also applying for commercial connection to avoid levy of infrastructure charges. Temporary shutters, boards etc. are placed to show commercial activity in the property, though, there is no commercial/ industrial work. Even approvals of building construction also do not mention commercial/ industrial purpose as nature of property.

A clarification in this regard has been sought from Ministry of Urban Development, Government of India which is still awaited. Therefore, it has been decided to obtain an Undertaking from all applicants applying under Commercial/ Industrial category for water/ sewerage connection in the format enclosed herewith, which provides that if it is decided to levy infrastructure charges in respect of his/ her property for water/ sewer connection at the later state, the applicant undertakes to pay the same to D.J.B., and in case he does not pay dues to D.J.B., services of the Board may be withdrawn.

For strict compliance by all concerned.

Encl: As above.
