Sr No	Clause Reference	Query/Suggestion	Clarifications
1	Affiliate Company Guarantee	<p>In the format of “Affiliate company guarantee “ , It is stated that that            If the Contractor fails to so perform its obligation and liabilities and comply with the Contract, we will indemnify the Employer against and from all damages, losses and expenses (including legal fees and expenses) which arise from any such failure for which the Contractor is liable to the Employer under the Contract. “</p> <p>We wish to inform you that with the above clause stipulated in the Guarantee, no sub-contractor is ready to take liabilities for all damages, losses, and expenses which arise due to failure for which the contractor is liable to Employer since the value of work to be performed by the sub-contractor shall be very small as compared to total bid cost.</p>	Bidder to Refer Corrigendum no. 10.
2	Affiliate Company Guarantee	<p>There is a clause mentioned in the format of Affiliate Company Guarantee that states “If the Contractor fails to so perform its obligations and liabilities and comply with the Contract, we will indemnify the Employer against and from all damages, losses and expenses (including legal fees and expenses) which arise from any such failure for which the Contractor is liable to the Employer under the Contract.”</p> <p>With this clause in the guarantee format, no sub-contractor is ready to take liability for all damages, losses and expenses which arise due to failure for which the Contractor is liable to Employer since the value of work to be performed by the Sub Contractor shall be very small as compared to total bid cost. The clause is limiting a sub-contractor who is willing to join hands with the bidder for a very specific job portion. However, with this new amendment, our specialized Sub Contractors are not willing to furnish this Affiliate Company Guarantee in it’s present format.</p> <p>We have been preparing for this tender since the NIT has been published. Like us, this last-minute inclusion of the clause must have jeopardized the bidding structure of many other bidders also who were relying on subcontractors.</p> <p>We request you to kindly amend this format of guarantee and make it easier for sub-contractors to be a part of this project. This is a genuine request because, in a specialized tender like this, a lot of Indian companies will need support of specialized sub-contractors.</p>	Bidder to Refer Corrigendum no. 10.
