NO. DJB/EE (P) SR-II/2021-22/ 2298

Dated:06.12.2021

Expression of Interest

Delhi Jal Board has about 250 km of Trunk sewer pipeline network across Delhi with pipe diameter above 900 mm. DJB intends cleaning and de-silting of running sewers with latest technology/mechanical means like super sucker, robotic sewer cleaner , other advance technologies adopted world wide , without diversion of flow , installation of Roka, man entry ,as per latest PEMS Act 2013 and relevant rules & guidelines circulated by the Govt. etc.

All the agencies/manufacturers/experts in this field are requested to submit their proposal for latest/advance technologies of desilting & cleaning of sewers alongwith complete Work Methodology to be adopted including technical specifications of machines/equipments proposed, past performance/references, tentative cost etc. of such technologies for efficient cleaning of Trunk/peripheral sewerage system of DJB.

The proposal to be submitted within 7 days i.e. up to 14.12.2021 in the office of undersigned. Interested firms may contact to Sh. Sandeep Kulshrestha, EE(P)SR-II, Mob. No. 9650311440 for clarification/ information if any.
