

**DELHI JAL BOARD: GOVT. OF NCT OF DELHI  
OFFICE OF THE EXECUTIVE ENGINEER (NW) III  
OVER HEAD TANK: ASHOK VIHAR: NEW DELHI**

No. DJB/EE (NW) III/2013/

Dated:

**INVITATION FOR EXPRESSION OF INTEREST  
FOR**

Selection & appointment of contractor/ Agency for controlled demolition of over head water tank, Paschim Vihar, Outer Ring Raod, Delhi.

1. **Back Ground:** There are two plots measuring about 2 acres area each at Paschim Vihar, Outer Ring Raod, Delhi -110063. One over head tank is situated in center of each plot. In one plot horticulture nursery exists. The height of said Over head water tank situated in both plots is about 30 meters which was constructed long back by DDA. Said over head tank is not in uses of DJB for last 20 years. The condition of said over head tanks is very depleted and deteriorated. The dome has started falling down in pieces which may be a cause of fatal accident. Similarly there is one more RCC over head tank of 30 mtr. height at Narela, Safia Bad Road. The condition of this over head tank is also depleted and deteriorated. As such, demolition of these three over head tanks is necessary. Delhi Jal board intends to obtain the services of reputed firms, having requisite experience in the field of controlled demolition of over head tanks. The structural drawings of said over head tanks are not available with office.
2. **Scope of work:** The scope of the services of the contractor/ Agency will include:
  - Controlled demolition of over head tanks without using blasting device.
  - Arrangement of all scaffolding/ shuttering etc.
  - Arrangement of barricading, all tools, plants, safety equipments & precautions for the workers at site.
  - The total quantity of RCC to be demolished is 1934 meter cubic (approximate) from-in 155 metric tone (Approximate) corroded reinforcement/ damaged CI pipes will be recovered and same shall be issued to the agency @ Rs. 30/kg as M.S. scrap.
  - The RCC foundation of over head tank shall be demolished one meter deep from ground level.
  - Filling of good earth for horticulture purpose in executed trench of foundation.
  - Cleaning of site & removal of malba.
3. **Manner of Submission:** Interested Agencies/ Contractor having experience of demolition of over head tanks, RCC chimney, tall RCC structures to be considered for short listing. Such agencies may submit in writing their technical capabilities

indicating their qualifications to perform similar work, description of similar assignment completed successes fully in their own capacity, availability of appropriate skilled professional annual turnover, similar assignment completed with all relevant information as above including copies of relevant documents for verification and full contact address. International agencies can also submit their offer as a joint venture with local firms having adequate experience and infrastructure for the controlled demolition of tall structure over head water tanks. The expression of interest shall be submitted in a sealed cover duly super scribed “Expression of interest for controlled demolition of over head water tank at Paschim Vihar, Delhi” at the address stated here below by 3.00 p.m. on 15.03.2013.

Delhi Jal Board: Govt. Of N.C.T of Delhi  
Office Of The Executive Engineer (NW) III  
Over Head Tank, Ashok Vihar, Delhi – 110052.

4. **Completion period:** The contractor will have to demolish RCC over head tank and clean the site within a period of six months.
5. **Mode of payment:** Payment to the firm towards demolition of RCC over head tank and cleaning of site will only be released after demolition of each tank.

Delhi Jal Board shall examine the technical bids and short list the agencies for this work within 30 days of the receipt of offers. The short listed contractors will only be requested to offers their financial bids as a job work of controlled demolition of RCC over head tank in a time bound manners. DJB reserves the right to accept or reject any or all the EXPRESSION OF INTEREST without assigning any reason.
