1.	Volume-1, Section – III A: Qualification Criteria, 4. Experience, General Construction Experience 4.1 Page: 184	<table border="1"> <thead> <tr> <th data-bbox="607 464 790 660">Requirement</th> <th data-bbox="790 464 965 660">Single Entity</th> <th data-bbox="965 464 1133 660">Joint Venture or Association</th> <th data-bbox="1133 464 1261 660">All Partners Combined</th> <th data-bbox="1261 464 1272 660">Each Partner</th> </tr> </thead> <tbody> <tr> <td data-bbox="607 660 790 1353">The Bidder should have successful experience in the role of prime Contractor for Laying/ Rehabilitation of gravity Sewers by micro-tunnelling and pipe jacking method of Dia. 600 mm or above for a length of 0.5Km or more.</td> <td data-bbox="790 660 965 1353">Must meet requirement</td> <td data-bbox="965 660 1133 1353">Must meet requirement</td> <td data-bbox="1133 660 1261 1353"></td> <td data-bbox="1261 660 1272 1353">N/A</td> </tr> <tr> <td data-bbox="607 1353 790 1390">The above</td> <td data-bbox="790 1353 965 1390"></td> <td data-bbox="965 1353 1133 1390"></td> <td data-bbox="1133 1353 1261 1390"></td> <td data-bbox="1261 1353 1272 1390"></td> </tr> </tbody> </table>	Requirement	Single Entity	Joint Venture or Association	All Partners Combined	Each Partner	The Bidder should have successful experience in the role of prime Contractor for Laying/ Rehabilitation of gravity Sewers by micro-tunnelling and pipe jacking method of Dia. 600 mm or above for a length of 0.5Km or more.	Must meet requirement	Must meet requirement		N/A	The above					<p>Please clarify if in a consortium, all members has experience of minimum length of 6.0km of 600mm dia and above, which is required as general construction experience to be met by all parties combined, then in that case will the consortium qualify or still it requires that each member of consortium should have experience of 1.5km of 800mm and above.</p> <p>It seems this has been written by mistake as in all other rehabilitation JICA tender the diameter mentioned as minimum requirement for each consortium member to meet is same as required in minimum general criteria to be me by consortium as whole. Please find attached general qualification criteria of other rehabilitation tenders of Anand Vihar and Jhilmil Colony.</p>	As stipulated in bid document.
Requirement	Single Entity	Joint Venture or Association	All Partners Combined	Each Partner															
The Bidder should have successful experience in the role of prime Contractor for Laying/ Rehabilitation of gravity Sewers by micro-tunnelling and pipe jacking method of Dia. 600 mm or above for a length of 0.5Km or more.	Must meet requirement	Must meet requirement		N/A															
The above																			

		projects should have been commissioned in seven (7) years as on date of submission of BID and should be running successfully thereafter.					
						Please clarify company having experience of laying rising main sewer pipeline as it is more technical job than laying gravity sewers. Moreover this is a rehabilitation job and experience of either Rising main or Gravity sewer both can be used.	As stipulated in bid document.
