level under the command area of primary Under Ground Reservoirs (UGRs) in Delhi" Subject:- Reply of the Pre-bid meeting held on 28.03.2019 regarding "Consultancy services for carrying out Hydraulic Modeling and Preparation of Detailed Project Report (DPR) for Creation of DMAs and ultimately reduction of NRW for improvement in consumer service

Executive Engineer (DMA				
No, it is as per amended RFP	We request the client to consider a QCBS evaluation system with at least a 70% weightage to the technical proposal to ensure quality of delivery, as this work involves requirement of high technical skills.	The bidder with lowest quoted rate (L1)	Clause 3.1.5 / pg 32 of 70	6
As per amended RFP	Please relax the age limit to 70 years.	No key personnel should have attained the age of 65 years	Clause 2.15.2 / pg 23 of 70, s. no. (h)	2
The document have been clarified in the revised RFP	Please define "Documents".	The proposal with all accompanying documents (the "Documents")	Clause 2.13 / pg 21 of 70	4
If any of the bidder wants to bid for more than one SE circle/Package then he is required to provide details of two teams of key personnel	Please confirm that we can propose two completely different teams for all six packages as the max. no. of packages which can be awarded to a bidder are 2.	Lowest bidder can win in two SE Circles / Packages	Clause 2.5 / pg 17 of 70	3
Condition deleted in amended RFP	Please define acceptable documentary evidence.	5 yrs. Of non-destructive testing and structural assessment reports with documentary evidence	Clause no. 2.3.2 (B), s. no. 6 / pg. 13 of 70	2
"Responsiveness" means fulfilling condition of documents required as mentioned in the check list under cl. 3.1.6 (Technical Proposal) refer page no. 35 of revised RFP	Kindly define a responsive bid.	After the checking of responsiveness is completed	Clause 1.6.3 / pg 8 of 70	<b>L</b>
