**“STOP CORONA; Wear Mask, Follow Physical Distancing, Maintain Hand Hygiene”**

**For favour of publication:**

**Dated: 19-06-2022**

**MOST URGENT**

### **Press Note**

Due to less receipt of raw water in Delhi Sub Branch (DSB), Carrier Line Channel (CLC) at Haiderpur and maximum possible diversion from CLC towards Wazirabad WTP and also fluctuation & unusual floating in DSB & CLC, the clear water production has been affected from water treatment plants at Haiderpur Phase-I, Phase-II, Bawana, Nangloi, Dwarka WTP's. Situation is being reviewed constantly. DJB is endeavoring to rationalize the water supply, however water will be available at low pressure till the situation improves. The affected areas are North Delhi, North West Delhi and Part of South Delhi including Delhi Cantt. And the command area of Deer Park.

Therefore, public is advised to make judicious use of water and water tankers shall be available on demand from following water emergencies:
